

Hi everyone,

Attached is Exam #2. For those who were not able to attend our online class today and haven't watched the recording yet, here are some things to note about the exam. If anyone has any questions, please let me know. The exam is due by 11:59pm on Wednesday, March 25th. We won't have class on Wednesday, so please use that time to work on the exam.

-- You may review the lecture videos and use your notes, the textbook, and ALEKS homework when working on this exam.

-- You may NOT receive help from anyone else.

-- You may submit your answers and scratch work either on a printed copy of this exam or on your own paper. If you use your own paper, you do NOT need to copy the question; just be sure you clearly label which question the scratch work and answer belong to.

-- If I can't tell with certainty which question any scratch work or answer belongs to, you will not receive credit for that work or answer.

-- To submit your scratch work and answers, you can either scan your work (if you have access to a scanner) or take pictures with your cell phone, then email me your scans or pictures.

--Be sure the writing in your scans or pictures is dark enough that I can easily read what you've written. If I can't read what you've written, I can't give you credit for it.

-- Make sure your final answers are clearly labeled.
