

Hi everyone,

I received a confirmation email from ProctorU this morning letting me know the exam is available to be scheduled. The exam is either under the name “Dr. Doug Math 127 Fall 2020 Exam #1” or “Math 127 Fall 2020 Exam #1 -Dr. Doug.” As I mentioned, ProctorU has lots of scheduling flexibility, but it does depend on proctor availability, so I recommend scheduling in advance to make sure you get a time that works well with your schedule.
